I've just come across this phrase. What puzzles me is the use of "out" or "in". Until now, I knew only the phrase "from here on" that means the same as "from now on", but what about the "out/in" after that? How will the meaning change if I omit it? What's the difference between these two if there actually is any? From here on, I'm going to pay more attention.

Out There is one hell of a page turner, authored by some of the finest journalists of our time. I highly recommend it. These are the wildest tales from the fringe, the very crème de la crème of madness, divine or otherwise. Here are stories of misadventures mirthful and appalling, vagabonds on hellish journeys, fanatics of freaky sports, and emperors of obsession.
