life to travel to here. My father would have been the happiest person in the world to see my success. As he died in 1994, I will really miss the opportunity to show my success to her. There is no word to convey how much I love her. I have really version derived from real-life scattered processes carried out by different supply chain

Ling 1A 2010-2011 morphology 2 - The University of Edinburgh

words) There are no syntactic contexts in which only words containing derivational morphology can show up. Since there are no syntactic contexts in which it is obligatory to put the prefix re- on a verb, we may conclude that this is a derivational affix. Let us consider one case in which inflectional affixation is required in English. It was
